

Melatonin: A Guardian Against Alzheimer s and More! (Paperback)

By Dr Christopher Hertzog

Booksmango, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Guardian against Alzheimer s and more! This book is intended as a layman s guide to the latest applications of Melatonin, rather than the well known uses to help with sleep patterns, Circadian rhythm and jet lag! The Pharmaceutical giants are unlikely to be interested in the latest research, as it would not be in their interests to produce it as it cannot be patented, because it has been in the public domain for too many years. It is also inexpensive to produce, so would not afford them adequate profit margins in any case! So it falls to health care practitioners, private clinics and forward thinking doctors, to offer the benefits Melatonin can bestow on patients and clientele, and monitor the higher dosages that might be recommended! Dr. Christopher Hertzog is a well known medical researcher in the field of Anti-aging Medicine (AAM). He is the author of several books and papers relating to AAM, including such titles as Live Younger, Live Longer , Nicotinamide Riboside , Beta Glucan - a 21st Century Miracle? and Laminine YTE . The author has embarked on...

Reviews

Simply no phrases to spell out. It is probably the most remarkable pdf i have got read through. I am delighted to inform you that this is actually the greatest publication i have got read within my very own existence and can be he very best book for actually.

-- **Demarcus Ullrich**

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

-- **Raina Simonis**
