Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There s a lot of misconceptions out there about how urban survival and wilderness survival, camping do or do not fit together. Arguments range from saying wilderness survival skills and camping can help in urban survival situations to saying all you that s needed for long-term urban survival is your survival or camping gear. The truth does, however, lie in between. Regardless you level of experience or the amount of skill, this guide has some great stuff to share about outdoor and urban survival. In both urban and wilderness survival, the most crucial and common factor that determine whether you ll succeed or fail lies in your mindset. The fundamentals of survival are common to urban and wilderness scenarios: shelter, food, security, medical, water, and fire. However there some notable differences. In wilderness or outdoor survival scenarios, it will normally be you or group of people trying to survive off from the land or from what you ve been able to carry along. In other words, you can think of a wilderness survival scenario as you vs. the world. A typical character you can identify such situations with is John Rambo where it s basically him vs. the world. Quite often, wilderness survival scenarios take place because there isn t anyone else around. Long-term urban survival, on the other hand, is a totally different situation to this regard. There will be people around you. After being able to keep yourself under control, a crucial factor that will determine your long-term urban survival will be how well you can interact with different people. Are you able to forge relationships and friends? Are you willing to exchange...
