Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book that rides on the edge of politically incorrect and personally unbearable to live with knowledge. This book touches on situations and events that directly affect our planet and our lives in one way or another. These are subjects many people aren't willing to or don't want to discuss. That may be the case, but does that mean that these injustices will just disappear on their own? I doubt it. These are things that everyone knows about, but it becomes a touchy situation to actually deal with.
