

Aux Etats-Unis: Impressions de Nature Et Souvenirs Historiques;
Conference Faite Le 26 Fevrier 1903 A L Athenee Pour La Seance Annuelle
de la Societe Des Arts (Classic Reprint) (Paperback)

Filesize: 6 MB

Reviews

Complete manual! Its such a great study. It really is writter in straightforward phrases rather than hard to understand. You are going to like the way the article writer create this publication.

(Ike Fadel)

Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Aux Etats-Unis: Impressions de Nature Et Souvenirs Historiques; Conference Faite le 26 Fevrier 1903 a l Athenee pour la Seance Annuelle de la Societe des Arts A travers que! Inextricable tissu d illusions et de prejuges, me disais-je, n apparait pas le Nou veau Monde a celui qui ne s est jamais eloigne du vieux continent! Et je revoyais, par les yeux de l imagination, new-york quej avais quittee le ma tin meme, new-york, la cite-empire, dans la quelle se resument toutes les miseres et toutes les grandeurs, toute l agitation febrile et toute la se renite aristocratique des etats-unis. La premiere impression est fascinatrice, par une belle matinee d aout, apres une heureuse et rapide traversee de six jours sur le plus vaste et le mieux amenege des steamers du Norddeutscher Lloyd, le Kronprinz, ou, comme l appellent les portefaix de Cherbourg, le Bon Prince. Apres avoir franchi le pittoresque defile des Narrows, vous entrez dans la baie interieure ou Upper Bay, qui mesure 8 milles anglais sur 5 et se prolonge sur la gauche par l hudson, sur la droite par l east River, deux estuaires qui s enfoncent fort avant dans l interieur des terres, plutot que deux ?euves proprement dits. Devant vous se dresse la vieille ville, fierement campee sur les falaises granitiques de Manhattan, tandis que, sur les quais, se pressent les fabri ques, les entrepots, les docks, les embarcaderes. A l ouest se montre Brooklyn, que signale de loin 7. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct...
