iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ham Marks, MD is a talented forensic orthopedist who has given up active surgical practice. He isn't a spy, soldier, or secret agent-and yet he always seems to be ducking murder attempts and stopping would-be criminals. Comprised of two thrilling novellas, Prescription: Murder follows Dr. Marks as he becomes a target. In Over His Dead Body, Marks is called as an expert witness in the murder trial of a Philadelphia malpractice lawyer. This seems simple enough, but in such a high-profile murder, nothing is as it seems. Soon, Marks finds himself running from international terrorists as he struggles to figure out what really happened to the unfortunate attorney. A C Change follows Marks and his wife, Ruth, as they take off on what should be a romantic Mediterranean cruise. In the process, Marks discovers he must stop the murder of a Bulgarian medical colleague who has invented a product worth millions. With the help of secret service and FBI agents, he might make it out with his life . and be back to the cruise ship in time for dinner.
