TIMEUNTIME Sherrilyn Kenyon For as long as she has lived, Kateri Avani has been plagued with dreams she doesn't understand. Images of places she's never been and of a man she's never met. In spite of her background, she refuses to believe in anything supernatural. But it's hard to deny something when it comes and kicks in your front door, and brings you face to face with the warrior who has haunted you your entire life. Ren Waya came back from the dead to help prevent a devastating prophecy from coming true and to fight an evil that once possessed him. An evil that's blood-related. Now, the last thing he wants is to be responsible for someone else. Ever. Even if he doesn't make sure Kateri fulfills her role, time itself will come undone. Still, it's hard to help someone when you know she is either the key to your ultimate salvation... or your utter destruction. This item ships from multiple locations. ### Reviews

*This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Ms. Missouri Satterfield DVM

*The most effective publication I at any time read. We have studied and I am sure that I will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).*
