

La Guerre Civile (Paperback)

Filesize: 9.69 MB

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Camille Larson)

LA GUERRE CIVILE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.La guerre civile de Cesar, appelee aussi guerre civile romaine de 49 av. J.-C. ou guerre civile entre Cesar et Pompee, est un des derniers conflits interieurs de la Republique romaine, et fait partie de la liste des nombreuses guerres civiles romaines. Elle a consiste en une serie de heurts politiques et militaires entre Jules Cesar, ses allies politiques et ses legions d une part, et la faction conservatrice du Senat romain, appelee aussi optimates, epaulee par les legions de Pompee d autre part. Nombre d historiens s accordent a dire que la guerre civile fut la consequence logique d un long processus de crise des institutions politiques de la Republique, qui commenca par le desastreux echec des reformes tentees par Tiberius Sempronius Gracchus, et se poursuivit par la reforme de l armee de Caius Marius, qui firent des legions des unites entierement devouees a leur general. Le processus s accelera avec la dictature de Lucius Cornelius Sylla et enfin le Premier triumvirat. Que cette analyse soit plus ou moins correcte, ces evenements n en ebranlerent pas moins les fondements de la Republique, et il est clair que Cesar tourna habilement en sa faveur l opportunité offerte par la decadence des institutions.
