INDIGENOUS KNOWLEDGE OF FARMING IN NORTH INDIA

Foundation Books in association with Centre for Environment Education, New Delhi, India. Paperback. Book Condition: New. First Edition. It is now widely recognised that agriculture can benefit when indigenous technical knowledge of farmers or ITK is reclaimed and integrated with modern farming practices. ITK is derived from local culture, traditions and long-term human interaction with the environment. It needs both documentation and conscious promotion for a more sustainability oriented perspective in agriculture. The book aims to document ITK in agriculture...
