PAVILION BOOKS, United Kingdom, 2013. Paperback. Book Condition: New. 229 x 178 mm. Language: English . Brand New Book. A great book for expressing your creative fashion urges, with doodling, drawing and colouring exercises to fill in. Fashion illustrator and lecturer Frances Moffatt provides suggestions and half-filled pages of drawings and doodles for you to continue, with sections on designing your own fashion blog, creating your own festival fashions, styling street style models from across the globe, adding bling to celebrity pets and selfies and making up your own fashion patterns and prints - lots of exercises to get the creative juices going and bring out the fashionista in you. For too long creative idea books and colouring books were the preserve of children, but grown ups as well as teens can enjoy this book and help unleash their creative ideas. Whether it s a simple colouring-in piece, or a more considered drawing, the suggestions offer something for everyone and encourage them to make the book about their own style. It can be used by anyone, from an artist or designer looking to get the creative juices going to mum at home. A creative book for everyone.
