NIGHT SHADE BOOKS, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. The Home Secretary of the UK decides to recruit a Countercultural Think Tank of pop stars in order to make the government look too cool to be overthrown. It s just another publicity stunt for the rockers, until the shooting begins. Now, Slater and her friends must find a way to stay alive, and overthrow the dominant social order, while the UK disintegrates under their feet. Will rock roll s revolutionary promise finally deliver, or will ethnic violence drown hippie idealism in rivers of blood? Either way, the world will never be the same. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
