Hachette Children s Group, United Kingdom, 2017. Hardback. Condition: New. Tim Budgen (illustrator). Language: English . Brand New Book. Goldilocks and the Three Bears is a story full of excitement, surprises and satisfying repetition. Children will love to join in with the bears questioning cries of Who s been sleeping in my bed? Along the way they learn to differentiate between big, medium and small, hot and cold, and discuss comparisons.It s never too early to introduce children to the magic and wonder of fairy tales. Classic characters are brought to life at each turn of the page with spellbinding artwork and lyrical writing. A visual glossary at the beginning introduces new vocabulary and promotes understanding. A lively activity at the end invites discussion and will make even the very youngest children want to return to these story books again and again. In this book, they are invited to choose elements from the story by size, match the bear to the bed and follow the path through the woodland maze. Fairy tales are a vital introduction to the basics of storytelling like setting, characters and plot. They boost a child s imagination and also teach valuable life lessons about good overcoming evil, the difference between right and wrong and the importance of rising to a challenge. Also available: Jack and the Beanstalk, Cinderella, Little Red Riding Hood.
