SPEAKING AND LISTENING STRATEGIES BULLETIN BOARD SET

Carson Dellosa Publishing Company, United States, 2015. Poster. Book Condition: New. Carson-Dellosa Publishing (illustrator). 698 x 444 mm. Language: English . Brand New Book. This Speaking and Listening Strategies bulletin board set is a must-have for teachers who want to develop and enhance good speaking and listening habits in their students. I Can statements and vocabulary that pertain to speaking and listening are emphasized in eight colorful vignettes. Other pieces include a full-size Rules for Discussion anchor chart and an engaging Conversation Starters poster to facilitate meaningful dialogue among students. Carson-Dellosa curriculum bulletin boards are designed to support any classroom with hardworking curriculum-based displays. We have identified that decorative display space in the classroom is shrinking because teachers are required to display more content-based materials. Speaking and Listening Strategies provides students with tips and reference charts for the skills and requirements of the ELA Speaking and Listening domain such as discussion etiquette, preparation, and sentence starters.
