For centuries, professional historians have labored through the painstaking task of documenting history as accurately as possible, but even with modern technology, archaeology, and records, some questions have eluded attempts to answer them. From the origins of Atlantis to the Lost Colony of Roanoke, the mysteries behind some of historys most famous people and events have fascinated countless generations. In Charles River Editors Historys Greatest Mysteries series, readers can discover the known, the unknown, and the possible answers to historys most enduring questions in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Critics call it one of the greatest pieces of fraud in religious history. Believers call it one of the most important artifacts in Christianity. Everyone agrees that its mysterious, interesting and controversial. The Shroud of Turin has been a controversial relic from the time it was first publicly displayed in northern France in...
