

Marketing Communications: discovery, creation and conversations (Paperback)

By Chris Fill, Sarah Turnbull

Pearson Education Limited, United Kingdom, 2016. Paperback. Condition: New. 7th edition. Language: English . Brand New Book. This seventh edition of Marketing Communications provides both a rich source of theory and an invaluable insight into how brands create communications and engage audiences in brand conversations. With contributions from brand owners and their advertising agencies from around the world, the book provides a unique blend of the theory and practice of brand communications. Sarah Turnbull joins Chris Fill as co-author on the seventh edition and together their passion for marketing communications comes alive in this book as they share their expertise and experience. Its strong theoretical underpinning and selection of contemporary case studies makes this the definitive text for undergraduate and postgraduate students in marketing, marketing with psychology, advertising, business studies and other marketing-related programmes. It is recognised as the authoritative text for professional courses such as The Chartered Institute of Marketing and is supported by the Institute of Practitioners in Advertising.

Reviews

It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. It has been printed in an extremely simple way in fact it is merely right after I finished reading this publication by which in fact modified me, change the way I really believe.
