

50 Quick Ways to Support Less-Able Learners (Paperback)

By MR Mike Gershon

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How do we support the less-able learners we work with? What can we do to help them bridge the gap, developing better knowledge and understanding and making excellent progress as a result? And how can we make sure we differentiate effectively, so as to meet the needs of these learners in every lesson we teach? In this book, bestselling author and trainer Mike Gershon presents 50 classroom-ready strategies, activities and techniques you can use to give your less-able learners the best learning experience possible. Every idea can be applied across the age groups and the curriculum. Each entry is carefully explained and the book is packed with illustrative examples. In short, there s everything here you need to support your less-able learners and to help them grow, develop and thrive in your lessons. All of which makes this a must-read book for any teacher who wants to go that bit further in supporting their less-able learners. With fifty different ideas at your fingertips, you ll have a ready-made toolkit to use in your planning, teaching and assessment, ensuring you...
