Filesize: 8.84 MB

### **Reviews**

*Absolutely essential study ebook. It is among the most remarkable book i have got read through. You will like how the article writer compose this pdf.*  
*(Jessie Rau)*

## APRENDER A VIVIR BIEN EN LA TIERRA CON EL RECETARIO DE LAS MEDICINAS DEL UNIVERSO (PAPERBACK)

Editorial Pax Mexico, 2015. Paperback. Condition: New. Language: Spanish . Brand New Book. Teachings transmitted through the medicines of the universe by the guides with whom Arlette Rothhirsch is constantly in contact are shared here in this book. These medicines, which are actually virtues, are said to heal different illnesses, including cardiovascular, respiratory, cerebral, ENT, intestinal, motor, and dermatological conditions. In the first section of the book, Rothhirsch presents descriptions of numerous illnesses and classifies them according to their characteristics. The second section offers the most appropriate virtue to heal each illness: Love (excellence), Happiness (antibiotic), Hope (painkiller), Faith (purifier), Truth (sedative), Strength (vitamins and minerals), and Harmony (inclusion). Through practical prescriptions, effective, authentic, and fast-acting solutions can be used to combat illnesses. The author provides connections between each medicine with music, painting, literature, film, and theater and teaches how to heal and increase these virtues within. At the end of each section are two thought-provoking questions to stimulate readers.
