THE NEW REVISED CATECHLYSM

Venial Press, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The New Revised Catechlysm, like the Baltimore Catechism before it, is all about the vital task of caring for your immortal soul. Whether you were born with one, downloaded one from, or picked up a used one on Ebay, this transparent, gelatinous organ located above the hip joint on your right side is of paramount importance in every truly successful human life. So once you ve got a soul-what next? How to train it? What to feed it? When to keep it heavily sedated and when to chain it up like a junkyard dog? This is where The New Revised Catechlysm provides solid information, in much the same way that its predecessor has always provided so many thrills and unexpected panic attacks for generations of young and old alike. The answers are all here. Want to know why God made you, so you have a snappy comeback when family members question your value as a human being? We ve got you covered. Want to know why the Holy Ghost appears so often as a dove, and is never very happy about it? Check. How about getting the inside story on how all those New Testament clothes draped so beautifully on Jesus and his peers? Well, okay, we d like to know that secret, too, and we re working on it. In this book you will learn what happens when you die and your body decomposes like a Sarah Palin speech under scrutiny. You will find practical hints about the best neighborhoods in Heaven and how to land the celestial mansion of your dreams that would have all your neighbors green with envy-if envy were not strictly outlawed...
