CONNECTING INWARD (PAPERBACK)

Cell Group Resources, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.God created us to have close relationships: a relationship with Him, relationships with other believers, and relationships with those who don t yet know Jesus. The difficulty is moving past superficial things like the weather, hobbies, or the dog to share deep things that really matter: who we are and who God is. The cell agendas in this book are designed around the stages of cell group life that bring people into productive biblical community. The innovative icebreakers will have your members smiling, laughing, and maybe even singing! Challenging questions based on the Bible passages will stimulate thought-provoking discussion. The ministry questions will move your members into caring interaction with one another. Connecting Inward was designed to bring your cell group together as extended family!.
