ENJOYING THE JOURNEY: THE ADVENTURES, TRAVELS AND TEACHINGS OF PEACE PILGRIM II

Blue Dolphin Publishing, 2011. Paperback. Book Condition: New. 214 x 139 mm. Language: English . Brand New Book. Love and caring is the answer. Peace Pilgrim follows in the footsteps of the original Peace Pilgrim, a woman who, for twenty-eight years, walked across the United States advocating world peace. Like his predecessor, Peace II has given up all his possessions, including his name, and has vowed to travel the country until world peace is a reality. Peace has spoken to thousands of people--in schools, over the radio, and wherever he goes from coast to coast--encouraging the expression of peaceful principles within our lives. Enjoying the Journey brings us his message of how to live peacefully and also recounts his experiences while travelling throughout the United States. If we learn how to love unconditionally, we will not only have peace in the world, but an inner peace as well.
