EVERYDAY LINGUAGING

Condition: New. Publisher/Verlag: De Gruyter | Collaborative Research on the Language Use of Children and Youth | The series Trends in Applied Linguistics meets the challenges of the rapidly growing field of applied linguistics. In a very broad sense, applied linguistics is understood by focusing on the application of theoretical linguistics to current problems arising in different contexts of human society. Given the interdisciplinary character of applied linguistics, the series includes cognitive, psycholinguistic, sociolinguistic and educational perspectives. The following topics are included in the series: Second language acquisition and the acquisition of additional languages Bilingual and multilingual education Language planning and language policy Literacy skills Second/foreign language pedagogy Translation and interpretation Language for specific purposes Discourse analysis Language testing and assessment Child language Language and gender Pragmatics and rhetorics Corpus analysis Critical pedagogies Research methodology in applied linguistics Language and technology | This book contributes to current theory building within applied linguistics and sociolinguistics by looking at the role of language in the lives, realities, and understandings of real children and youth in an urban setting. Collectively the studies amount to a comprehensive account of how urban children and youth construct, reactivate, negotiate, contest, and navigate between different linguistic and sociocultural norms and resources. | Format: Paperback | Language/Sprache: english | 421 gr | 230x156x14 mm | 284 pp.
