Attack of the 50 Ft. Women: From Man-Made Mess to a Better Future - the Truth About Global Inequality and How to Unleash Female Potential (Paperback)

By Catherine Mayer

HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. ` Buy it for yourself, your husband or partner. Most importantly, buy it for your children Sunday Express Not a single country anywhere in the world has achieved gender equality. In more than a few countries, progress for women has stalled or is reversing. Voters in the United States chose a misogynist over a female candidate for President. Yet in many of these countries, the majority of politicians and business leaders profess to believe in gender equality-as well they might. One report predicts a boost to global GDP of GBP8.3 trillion by 2025 simply by making faster progress towards narrowing the gender gap. Researchers point to many other potential benefits too, not least in improved relations between the sexes and a healthier, more peaceful planet. If gender equality promises benefits not just to women, but to everyone, why aren t we embracing it? And how can we speed the pace of change? Fewer than nine percent of world leaders are female, but the few women who have broken through include towering figures such as Angela Merkel. Could 50-foot women save the day? These questions have gripped journalist...
