Simplicity is the keynote of this machine; we ve eliminated the quarter turn belt and have so simplified controls that speeds can be changed in two seconds. Rigid construction, smooth operation, all transmission gears, ball bearings, etc., run in oil baths-- .insure ac curacy. The Industrial Cost Association, incorporated last January by plant executives who have willed to standardize manufacturing cost methods, proved its right to leadership in this particular field by the quality and results of the National Industrial Cost Conference--the first of its kind ever essayed--held in East Aurora, N. Y. According to the unanimous a nd enthusiastic statements of Cost Association members and their invited guests the progress made toward the solution of many vexatious and currently important cost problems was astounding. The conference developed the undisputed fact that among...
