

Socialism What Is It? Is It Christian? Should the Church Take Any Interest in It? (Classic Reprint)

Filesize: 3.75 MB

Reviews

These kinds of ebook is almost everything and got me to seeking ahead of time plus more. It really is filled with wisdom and knowledge I discovered this book from my i and dad advised this publication to learn.
(Sonny Bergstrom)

SOCIALISM WHAT IS IT? IS IT CHRISTIAN? SHOULD THE CHURCH TAKE ANY INTEREST IN IT? (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Socialism What Is It? Is It Christian? Should the Church Take Any Interest in It? It has been often lifted up in the press and in the pulpit as the folly of socialism. Logic and sarcasm have been hurled against it, but the folly was a man of straw. Even within a few months, from prominent pulpits, I heard this folly attacked as though it were a real objection, and in overthrowing it the impression was left that Socialism had been logically vanquished. In asserting that the equal division of property is no part of a true idea of Socialism, I will not ask you to rely upon my opinion unsubstantiated. A former Austrian Minister of Finance, Prof. Schaffle, in his volume entitled The Quintessence of Socialism, says: It is absolutely false to say that Socialism is the system of periodical redistribution of private possessions. That is absolute nonsense, and every page of a socialistic journal rightly condemns such an account of the matter as the result of gross ignorance. Socialism is not Communism. Communism means having all things in common. It abolishes private property and annihilates the distinction between meum and tuum. This is not the idea of Socialism. Again Socialism does not aim at the impossible end of banishing the natural inequalities found among men. It has no affinity with any form of violence or confiscation or class selfishness.
