Shortly before Jesus died on the cross, the Judean governor Pilate mocked the concept of finding an exclusive set of facts that would be applicable to all mankind. He did so with the simple yet provocative and sarcastic statement, what is truth? (John 18:38) This taunt has continued down through the ages. In modern times, absolute truth is a touchy subject in our current climate of moral relativism. But there is no getting around it: the bible claims that such truth exists. Jesus was straightforward with Pilate, telling him, You say rightly that I am a king. For this cause I was born, and for this cause I have come into the world, that I should bear witness to the truth. Everyone who is of the truth hears My voice (John 18:37). Instead of what is truth?, Pilate s question should have been what if it s true? God welcomes open-minded questions. In fact, honest questions are part of human nature and God s Word holds up to scrutiny. Honest would be the key word here, because many people come to the bible with incorrect and immovable preconceived notions. Others will not even make time to check out the truth of Christianity. Are you an honest seeker? Would you like to open-mindedly examine the scandalous yet wonderful claims found in the Bible? If so, then you are ready to peer behind the veil and into the revealed wisdom of God.
