

Ecclesiology in the Trenches: Theory and Method under Construction (Paperback)

By -

James Clarke Co Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The field of ecclesiology is rapidly expanding as new material, theories, methods, and approaches are being explored. This raises important and challenging questions concerning ecclesiology as an academic discipline. This book takes the reader into the trenches of ecclesiological research where the actual work of reading, writing, interpreting, and analysing is being done. Ecclesiology is dealt with as a systematic, empirical, historical, and liturgical discipline. Essays explore theology in South Africa as shaped by apartheid, liturgical theology, the diaconate in an ecumenical context, Free Church preachingship, suburban ecclesial identity, medieval church practices, liturgical texts, church floor plans, and ecclesiology as a gendered discipline. Ecclesiology in the Trenches is a book for anyone who is interested and involved in ecclesiological research.
