In this book, you'll find a primer for using data sources to connect your Dreamweaver pages to a database. Lowery and Ott then provide step-by-step instructions for creating 7 full-featured, professional-quality Web applications suitable for small to medium organizations. Follow the carefully constructed tutorials, and you can use them today-because all the files and code you need are available on the included CD! Better still, the explanations you'll read will give you insight into why each step was taken so that you can extend any of the recipes to meet individualized needs. 536 pp. Englisch.

### Reviews

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.*

-- Prof. Vanessa Smitham V

*Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have study inside my individual daily life and may be the greatest ebook for at any time.*

-- Trent Monahan
