

Investing for the Rest of Us: How to Invest in Stocks Using Index Funds: Passive Investing Strategies Everyone Can Use (Paperback)

By David L Wright

Korotious Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Not satisfied with your investments? Anyone can become a successful investor. Discover simple strategies to invest and beat the pros at their own game. Think there's no way your investment portfolio could ever outperform stock market professionals? It's easier than you think. Investing is all about common sense. Owning a portfolio comprised of some of the world's greatest companies and holding onto it for the long term is a recipe for success. With over a decade of experience as the Chief Financial Officer for a multi-million-dollar company, with decades of successful investing, David L. Wright understands money and investing. His investing results speak for themselves; results which allowed him to retire more than a decade early. He has helped ordinary people amass millions, and now he's here to lead you on the path to financial success. Investing for the Rest of Us is your crash course in investing in the stock market. Everything you need to know to become a successful investor is in this book. This is an investing guide for people who lack the time, the inclination, the desire,...

Reviews

The very best ebook i ever study. It really is rally fascinating throgh reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Coleman Kreiger

This ebook could be worthy of a go through, and a lot better than other. I have study and that i am sure that i will likely to read through yet again once more in the future. I found out this pdf from my i and dad suggested this pdf to discover.
