Vendange isn't a dry book about the wine making process, though - more a collection of amusing and informative anecdotes gathered in my pannier along the way. It started in the autumn of 1979 and finished in 1986 and during that time, the wine industry changed forever. I was lucky enough to witness the changes. 4.0 out of 5 stars Rattling Good Read 10 Dec 2013 By Artful Dodger Format: Kindle Edition Amazon Verified Purchase Ian has put together a fine collection of anecdotes and memoirs from his working life and more specifically from his time spent working on a French vineyard where he brings alive his new found love and rapidly growing knowledge of French wine and the industry behind it.
