Balboa Press, United States, 2015. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Wise People from every tradition have spoken about the present as the time when humanity will either destroy themselves and the planet or awaken a new consciousness that will become the foundation for the evolution of a new species. Many people are now developing the gifts to envision a positive future based on our role as conscious creators. Using Vortex Energy is one way that we can assist with the present dimensional changes. Through special hand placements, the Vortex uses the electromagnetic energy field of our bodies to polarize our energy. The harmonizing energy of the Vortex aligns our Spirit Essence to wholeness, our mind to peace, and our physical body to healing, thus shifting our energy vibration and triggering DNA changes on a cellular level so that we can adapt and survive in the Fifth World. Spider puts thirty years of working with Vortex Energy into form in this beautiful book. It s filled with nuggets. My favorite paragraph is: We cannot assume that our own perception is best for manifesting evolutionary changes for ourselves, another person or even Mother Earth. Indeed, our personal perception may limit the possibilities of the Vortex. Therefore, once we create the Vortex, we.allow the energy to do what it needs to do. .Trust that you will be guided during this process. Amazing things happen for those who are sincerely ready to receive the abundance of the Universe. P. 42 - Hollis Melton, herbalist and publisher of Songs of Bleeding.
