A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2013. Paperback. Book Condition: New. Workbook. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Wisdom Workbook is a unique tool for learning and improving on the understanding of basic principles in the Bible. It consists of wisdom nuggets (quotations) gathered from my daily devotional books (Standing My Watch) which I ve been writing since November, 2007. The nuggets (for example: Dignity bestowed on a fool is dignity belittled) are not from strings of common proverbs but godly wisdom inspired by the Holy Spirit as I searched the Scripture. Apart from being handy for general use by all and sundry, this book is particularly helpful for Seminaries, Bible and Sunday Schools students. It is definitely reader s/student s delight. For ease of reference, the quotations in the book are arranged into chapters. Each chapter represents a particular subject that is relevant to the quotations used. After going through the wisdom nuggets on the chapter being read or studied, the readers/students are presented with biblical riddles or assignments to work on. This is the workbook and the juicy section of the book that is very enticing and interesting. The book is written as a reader s/student s companion in scriptural exploration. It is my fervent desire that God s word will first be constant in your heart so that it can, at last, be instant in your mouth.
