You will find in this book the tools you need to effectively process your thoughts. The Expressions Sayings are designed to expose negative and self-defeating thoughts and replace them with constructive life building point of views. Since our inward reflections directly influence the way our unconscious minds process our wants and desires, this is a great resource to have. Pocket Full of Life: Expressions Sayings looks at how language helps us to be aware of the things we say; how they influence others opinion and attitude toward us and the way we react. The Sayings illustrate how language form barriers which are detrimental to our everyday interaction. This calls for our full awareness of the things we say to ourselves and others.
