Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Brand New Book ***** Print on Demand *****.FROM THE BACK COVER: When someone dies, the world doesn't stop. It seems like it should, but it doesn't. It would be useful if it did stop. You know, take a moment, get your bearings, and deal with practical and emotional details that engulf a death. But no, no stopping, no break, you just gotta continue your drunkard's walk down the path of life. When I died, the world didn't stop, not a bit. I wasn't expecting it to, but it would've been nice, you know? My death thrust me into this new world that I didn't understand. I found myself grappling with the life I left behind and what I had left undone, while at the same time trying to come to grips with this new afterlife. I was a murderous poltergeist for a while, and then a guardian angel. I have struggled to reach my loved ones and fought to keep them safe. I've seen Hamlet performed in a graveyard by a pack of ghosts, had some amazing adventures, and even survived the bard. It's not easy. Life is complicated, even when it's an afterlife. But it's still worth living, even though I'm dead. My name is JJ. I'm a ghost. This is my story. EXCERPT FROM SHUFFLED OFF: The morgue was next, a cold sterile room where my body was shoved into a drawer. There were three others there with me.
