Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from Lettres sur l Agriculture Moderne Quant aux questions pratiques du genre de celles - ci Pourquoi l action ulterieure des engrais que nous venons d enumerer n est-elle pas egale a celle du fumier d table? Pourquoi en est-elle si differente? Pourquoi le tre?e ne vient-il plus sur certains champs? Ou pourquoi les pois ne reussissent-ils qu a de longs intervalles sur le meme terrain? Notre auteur s en preoccupe fort peu; il en parle comme de choses etablies par la nature, auxquelles il n y a rien a changer, et dont le cultivateur doit tenir compte dans sa pratique. Et, dans le cas ex tremement peu probable ou le praticien serait arrive par lui - meme a resoudre une de ces questions ou a eluder une difficulte (car c est a lui qu en estlisse le soin), l au teur regarde comme sa plus belle prerogative de lui de montrer, par une serie d analyses chimiques, comment la theorie s applique exactement a la pratique. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
