Brand New Book ***** Print on Demand *****.The problem most small businesses are facing today is; so many of them do not understand the vitality of having a well-planned marketing system for their business, although most understand the necessity of marketing. Both are extremely dangerous for the longevity of any business. That's the reason I felt obligated to put this book together to share with small business owners some of the tools and strategies, big corporations are taking advantage of, without breaking the bank. The 7 Chapters in this book is filled with proven strategies and tools we use every single day to help our clients attract their ideal clients and grow their practice or small business at an exponential rate and get the best return on investment possible.
