Brand New Book ***** Print on Demand *****.Whilst researching my family history i discovered many interesting things that were not obvious .I suppose like most families we had people to be proud of and people to be less proud .Charactures have been poached from my memories of some of them and used in this story .Some of which is based around Leight Buzzard and surrounding country side that i am fortunate to live in.I worked for 8 years in Soho in the 60s and some of the story travels to that area where i have fond memories.
