Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

FOOD FOR THOUGHT

Associated Board of the Royal Schools of Music. Sheet music. Book Condition: new. BRAND NEW, Food for Thought, Rory Boyle, A delightful collection of pieces for clarinet and piano based on an original but popular theme - food! All the pieces, each inspired by one of the composer's favourite dishes, are immediately accessible with harmonic and rhythmic interest in both solo and accompaniment. This album is ideal for young players and teachers looking for music in a contemporary idiom which is both challenging and fun to learn and play.
