Roosevelt Academy Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether couples pursue surrogacy as a way to combat infertility or because of a preexisting condition (or two men seek to have a child together), surrogacy can be fraught with anxiety, concern, and fear of the unknown and it's easy to see why-how can anyone trust a virtual stranger to carry their baby for them? Couples wonder if it's awkward to watch another woman pregnant with their child. And what would possess someone to be a surrogate mother in the first place? *Successful Surrogacy: An Intended Parents Guide to a Rewarding Relationship With Their Surrogate Mother* is the only book of its kind in the world of infertility resources. It provides intended parents a first-hand look at the gestational surrogacy process from start to finish from a surrogate mother's perspective and addresses their concerns and questions every step of the way. Written by Susan MZ Fuller, a seven-time gestational surrogate mother for six different couples, *Successful Surrogacy* is an essential resource for couples considering or currently using a surrogate mother to build their families. While it's true that surrogacy is one of life's most emotionally intense events to go through, it can also be one of the most uniquely rewarding and joyous experiences for couples and surrogates alike. *Successful Surrogacy* helps couples select a surrogate who is the best match for them and then candidly walks them through the surrogacy process from the surrogate mother's point of view, from deciding to work together through the birth of their baby and beyond. The book explains each phase of surrogacy in detail, starting with initial medical evaluations and undertaking a medicated cycle...
