

Remote Sensing: The American Great Plains (Classic Reprint) (Hardback)

By W Raymond Wood

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Remote Sensing: The American Great Plains Perhaps a word of caution should be inserted at this point. Some have construed that the thesis behind the publication of this series is that remote sensing is a solution to all cultural resource problems and needs. This is certainly not the case with remote sensing or any other of the wide range of archaeological techniques available to the cultural resources scientist. This volume and the others which comprise the Handbook series, however, illustrate that when appropriately and properly applied, the methods and techniques of remote sensing can form a useful and sometimes necessary part of any integrated program of cultural resources research or treatment.
