

The Lost Yeti: Nine Years from Home (Paperback)

By Donald Cassidy

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What started as his first Snipe Hunt with his grandfather unexpectedly turned into something else entirely, something that changed his life and the lives of his family forever. Clark had no idea what the small, fluffy, little ball of fur was that he found sleeping behind the giant boulder, but he thought it had to be the snipe he had set out to capture. Yet, when he told the townspeople that he had actually seen a snipe, they all laughed at him and called him foolish. Exasperated, Clark described his snipe to his grandfather, who got very nervous and told him he was never to mention what he had seen again - not to anyone. Clark and his grandfather decide to bring the little ball of fur home for grandmother to examine and determine what they should do. Grandmother discovers it is a small, female something that she names Betty - a human name given to something definitely not human. The family agrees that for her safety they must keep Betty's true identity a secret. They decide to raise her as...
