Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Crimson Publishing. Paperback. Book Condition: new. BRAND NEW, Getting into the UK's Best Universities and Courses: The Insider Guide to Winning a Place at the UK's Best Universities (2nd Revised edition), Susanne Christian, If you've set your university goals very high, Getting Into the UK's Best Universities and Courses will enable you to maximise your chances of winning a coveted place at university. Offering course- and institution-specific advice and packed full of in-depth information not published anywhere else, this book answers a wide range of general and specific university questions such as: -What are the most competitive degree courses and best universities? -Does it matter if I choose a high-ranking university or course? -What graduate employment data is available and where do I find it? -How will the new A* grade affect my application? -Does Cambridge automatically interview all applicants? -Will my AS grades/scores be taken into account? Competition for university entry has never been so fierce - 2010 saw an 8% increase in the number of full-time university applications (the biggest rise in eight years) and the trend is set to continue. Ambitious students need to ensure their university application is as carefully considered and as excellent as it can be, particularly as university funding cuts threaten a significant reduction in university places available. Fortunately, Getting Into the UK's Best Universities and Courses equips you with all the insider university advice you need, explaining the different university rankings so you can select the best university and degree course for you. With up to 80 students applying for every graduate job, the best students are planning now to make sure they are as employable as possible by choosing the best university degree courses for their desired career. Getting Into the UK's Best Universities and Courses also reveals why the conventional...
