

The Last Hour: Discerning the End Times- A Biblical Perspective (Paperback)

By Biniam Debebe

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Last Hour is a book about the Day of the Lord (the End Times) and how to discern the end times from biblical perspective. People are confused with different eschatological beliefs including date settings like the 2012 doomsday and decoding of bible codes to predict events like the end times. This book highlights what the Bible says about the end times from Jesus teaching, without mixing it with other eschatological theories as, God is the only one who can tell the end from the beginning (Isaiah 46:9-10). The book covers topics such as the signs of the Last Hour (including the Antichrist(s), false Christs and prophets, famine, war, earthquakes, tribulations, persecution of the church, and worldwide evangelism); how to get ready for the Last Hour; and how to get saved (salvation).
