Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

GET SET FOR COMMUNICATION STUDIES

EDINBURGH UNIVERSITY PRESS, United Kingdom, 2005. Paperback. Book Condition: New. 210 x 134 mm. Language: English . Brand New Book. This volume assumes no prior knowledge of the subject. For students who have never studied Communication Studies before, it will give an idea of what to expect. For students already studying Media or Communication Studies at school or college, it will provide a concise but comprehensive learning aid. Part One includes an overview of Communication Studies, a survey of the current approaches to and theories about Communication that are taught in the majority of UK universities, and the Communication Studies Toolkit - a roundup of the different approaches used to make sense of their objects of study, including semiotics, discourse analysis, social constructionism, visual rhetorics, historical materialism, psychoanalysis, gender criticism (including feminism, postfeminism, and queer theory), structuralism and poststructuralism, postmodernism and postcolonialism. Part Two covers study skills for undergraduate communication - the level of reading required, types of assignments and assessment, time management, how to use a tutorial, recording notes in lectures, writing skills and revising for and passing examinations (including model exam questions and answers).
