The great war was a contest of ideas. Back of the men and munitions, the armies and navies of the Allies and of the Central Powers, there were the directing and controlling personalities who won and lost for their causes. It was a contest of wits, mind challenging mind, will against will. Natural resources and equipment were essential, but nevertheless secondary to the wise intelligence capable of using them so as to serve its cleverly conceived purposes, and sustained in every crisis by a spirit which, conscious of the power and promise of its cause, never lost faith in its will to conquer. Therefore it is peculiarly fitting that the American people, particularly the youth of the coming generation, should have at hand a dependable record of the lives and character of those conspicuous figures whose names will be forever intimately associated with this war which has shaken the very foundations of the world, and...

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Salvador Lynch

A whole new e book with a new perspective. I could comprehend almost everything using this written e book. I am very happy to inform you that here is the greatest ebook i have read in my very own life and may be the best publication for ever.
