## HOW TO DRAW: FASHION FIGURES (PAPERBACK)

Search Press Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. This delightful introduction completely demystifies the drawing process. It shows how images can be built up easily, from initial geometric shapes right through to finished models. Susie Hodge includes a good selection of male and female figures of different ages and ethnicities in a range of dramatic poses and funky outfits. Choose between glammed-up young women, trendy teens, sizzlingly smart men, sultry fashionistas and cool kids! Susie uses a helpful two-colour method that clearly shows every line and curve of the step-by-step pictures. Even absolute beginners will find themselves creating great fashion figure drawings when they use this book and there is much to inspire more experienced artists too. An invaluable guide for anyone interested in this subject.
