By Waterson Luke

Paperback. Book Condition: New. Not Signed; Description: Meet Anthony Knivet: gentleman, baker, lover, linguist, explorer, Englishman. And an indispensable advisor to celebrated generals and Portuguese governors alike. Not to mention the kings of several Brazilian tribes. Roebuck - Tales of an Admirable Adventurer is a swashbuckling tale of the highest order, following Knivet's escapades in South America during the 1590s. Desperate to prove his worth to his father and his betrothed, he embarks with Thomas Cavendish on the explorer's ill-fated circumnavigation of the globe. Portuguese colonists want to hang him as a heretic and cannibals wait in the jungle with a hankering for his flesh, but Knivet is determined to carve a name for himself in this brave New World, despite the bizarre, unsavoury and sometimes just plain evil characters that stand in his way. Whether acting as interpreter elect for the sadistic Cavendish; confidant to the devout but dangerous Governor of Rio de Janeiro; or the guide upon which the entire Portuguese army comes to depend, Knivet single-mindedly strives for the recognition he believes he is due. Finally, deep in the Brazilian jungle, he does find his calling: inciting the tribes to unite, rise up against their Portuguese oppressors and thus change the history...

### Reviews

*A brand new eBook with a brand new standpoint. It can be rally fascinating through reading through time. I am happy to let you know that this is the greatest ebook i have go through within my very own daily life and can be he best book for at any time.*
