TOO MANY LOVERS: A GUIDE TO FREEDOM FROM IDOLATRY

[DOWNLOAD](#)

AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Me? Have a problem with idols? You ve got to be kidding! That s just something that was practiced by people in ancient religions who weren t as well educated as we are today.right? If this was your first thought, you couldn t be more wrong! The problem of idols and idolatry is not an outdated practice of extinct religions; it s actually alive and flourishing today in our modern society. True, our current idols aren t typically made of wood, stone, or gold. That s because idolatry is simply the act of loving and worshipping something or someone more than the one person who actually deserves it - God Himself. So by this definition, we can turn anything or anyone into our personal idol -and we will suffer for it! Most people, even Christians, who practice idolatry aren t even aware of it, but here they are suffering spiritually, emotionally, and even physically but can t seem to connect the dots between misery and the practice of idolatry. This study guide was developed to help people find out if idolatry is a bigger problem than you realized. It was put together to help you - and maybe a group of your friends - get real and get honest with each other and with God. This guide was designed to complement the book, Too Many Lovers and to go deeper into God s truth together. It s an opportunity to discover the freedom you ve only dreamed of! This study guide is packed with information, examples, challenging questions, practical steps, and personal application to move you from bondage into personal healing!.
