

## Raspberry Pi: A Quick-Start Guide (Paperback)

By Maik Schmidt

The Pragmatic Programmers, United States, 2014. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. User Level: Most of the book is targeted at beginners in computing and programming. A few parts, such as the small electronics project and setting up a web server, assume some intermediate skills. The Raspberry Pi is one of the most successful open source hardware projects ever. For only \$35, you get a full-blown PC, a multimedia center, and a web server--and this book gives you everything you need to get started. You ll learn the basics, progress to controlling the Pi, and then build your own electronics projects. This new edition is revised and updated with two new chapters on adding digital and analog sensors, and creating videos and a burglar alarm with the Pi camera. Get your Raspberry Pi up and running and doing cool stuff. You ll start with the basics: adding hardware, installing and configuring Debian Linux, and customizing the Pi s firmware to get the most out of your hardware. Then the fun begins. You ll connect the Pi to your home network, surf the web, and tweet messages. You ll learn how to get the most...
