Democracy The time is rapidly approaching, if, indeed, it has not already arrived, when there should be a political party in the United States of America that aggressively and courageously espouses and promulgates principles in favor of A Qualified Ballot or Equitable Relativity in the exercise of suffrage, and which defends property rights and individual ownership and management, as against the Socialistic and Governmental tendencies of both the existing great organizations. Self preservation is the First law of nature; the preservation of the offspring is the second, and the preservation of the race or society is the third. Socialism implies that the preservation of Society is the first law, which reverses Nature. It follows therefore that individual ownership should not only be permitted but encouraged, till both self and offspring are adequately protected, plus a sufficient accumulation for the preservation of society. But private ownership does not signify Private Monopoly - Millionism Is Not Billionism. Unless private monopoly is prevented Socialism which is Public Monopoly, will likely be adopted. Timocracy suggests a plan by which...
