## DARE TO DO! FOR THE NEW GENERATION

Hay House India, New Delhi, 2012. Soft cover. Book Condition: New. It is about a life truly lived and living!! The real-life story of India's first and highest ranked woman officer in the Indian Police Service who pioneered a Gandhian (inclusive and transparent) model of policing marked by utmost devotion to duty, innovation, compassion and, above all, willpower! In Dare to Do! For the New Generation, Kiran Bedi enthuses, motivates and inspires today's youngsters to clearly chalk out and achieve their goals and objectives without fear and without being overwhelmed by circumstances, however adverse they may be. She emphasizes the fact that qualities such as honesty, dedication, diligence and commitment to one's profession are vital if one wants to succeed in life. She also drives home the point that there are no short cuts to success. Her own track record (as highlighted in this book) provides various examples of how she converted challenges into opportunities and how she refused to buckle under pressure from some of the most influential people in the corridors of power. Page Extent: 264.
