It's an issue of control-behind everything city lies a dictator, a string puller, a starting point, and they don't give power up easily. City of a Million Dots is a sensual journey into origin, person and psychoactive urban environment. It is a poetic tribunal of freedom of choice and the ultimate dichotomy of the tragedy of love, fate and family. Did you die for me, daddy? Well, damn you, and I'll see you on the other side.
